Dear Commissioners,

Attached are five files. PLEASE READ THEM THIS TIME. We see that you have not even removed the reference to the white journalist whose writing of history is akin to KKK writing the history of African-Americans. No work has gone into the Appendices.

- (1) Our inputs on the latest draft (ProposedFixes.doc)
- (2) References and evidence for knowledge transfer from colonial era (resend)
- (3) New York Times news item as supplementary item showing that Dravidian is a racial label propagated by people who indulge in violence
- (4) and (5) My speeches of Oct 8 and 9

With all due respects, allow me to add that the only reason a journalist gets a free pass and gets included is that he is a white. Had he been a Hindu, he would have had to have a PhD in history.
